

Mansion Display Update: French Drawing Room

April 8, 2025

On Monday, April 7, the round table (33.217) was returned to its home in the French drawing room, after being taken off view for conservation. The temporary replacement table (31.49) was moved back to its original location. Additionally, the Presentation Box by William Hamy (11.134.1-2) has returned from loan and is back inside its case in the French drawing room.

For more information, please see the images and object descriptions below:
