# Mansion Tour Routes: Pavilion Closure 2026

As part of Hillwood's strategic plan for sustainability, we are undertaking a multi-year, multi-phase project to replace the 92 windows and five doors in the mansion to improve energy efficiency.

The first phase of the project will focus on the pavilion and is expected to take approximately eight weeks. During this time, the pavilion will be closed to the public from **October 13 through December 14**.*

> **Please note that these dates are subject to change if the delivery of the new windows is delayed or the project schedule otherwise changes.*

**Mansion Tour Routes**
From October 13 through December 14, the pavilion will be temporarily removed from the mansion tour route.

- **Tour Route:** The remainder of the mansion tour will remain unchanged. The room order and allotted time for each room will stay the same. See below for the adjusted routes.
- **Update Transitions:** With the pavilion closed, tours will move from the entry hall to the French drawing room. Please update your written transitions accordingly and be mindful of references to the Pavilion.
- **Tour Cheat Sheets:** Updated mansion tour cheat sheets, with the pavilion stop omitted, will be available in the volunteer lounge beginning October 13.
- **Tour Timing:** Because the pavilion will be temporarily removed from the route, the mansion tour will be a few minutes shorter. Please continue to follow the established tour route and allotted time for each room. Coordinating multiple tours will still require us to deliver each tour in a timely manner.
